	Opening remarks & Policy considerations	**Fulvia Raffaelli** DG SANTE Head of Unit C1
	The EEHRxF in the context of the EHDS and Digital Decade	**Kyriacos Hatzaras** DG CNECT H3
	What does the EEHRxF bring? *Q&A between a patient and eHealth professional*	**Milana Trucl** European Patients' Forum **Jürgen Brandstätter** IHE Europe
	Medical professionals & EHR data exchange	**Sara Roda** Standing Committee of European Doctors CPME
	Plan of the Day	**Henrique Martins** ISCTE-IUL & XpanDH
9:50 10:45	**Plenary I: Development of Patient Summary, ePrescription/eDispensation** *EU, national, industry initiatives and work streams developing EEHRxF specifications*	
	Developments and use of Patient Summary	**Daniel Karlsson** Swedish eHealth Agency, eHealth Network Subgroup on Semantics
	Patient Summary Updates	**Isabelle de Zegher** SNOMED International & AIDAVA
	Developments and use of ePrescription & eDispensation	**Annika Ohlson** and **Martin Pilnik** MyHealth@EU & eHealth NCPs of Sweden and the Czech Republic
	ePrescription & eDispensation Updates	**Anne Moen** Faculty of Medicine, University of Oslo & Gravitate-Health
	Learning Health Systems: Challenges & Opportunities for Adoption of PS, eP/eD	Moderator: **Dipak Kalra** University College London & i~HD
10:45 11:00	Coffee Break	

XpanDH
Expanding Digital Health through a
pan-European EHRxF-based Ecosystem

#EEHRxFSummit23

European Commission

11:00 12:30	**Plenary II: Development of Lab Results, Medical Imaging, Hospital Discharge Reports** *EU, national, industry initiatives and work streams developing EEHRxF specifications*	
	Developments and use of Laboratory Report in Czech Healthcare	**Hynek Kruzik** Ministry of Health of the Czech Republic & eHN Subgroup on Semantics
	Laboratory Report Updates	**Jeroen Beliën** KU Leuven & Health-RI
	Developments and use of Medical Imaging in the eHealth Network	**Esther Peelen** NICTIZ, eHN Medical Imaging Task Force Chair
	Developments & use of Hospital Discharge Report in the eHealth Network	**Theresa Barry** eHealth Ireland & eHN Subgroup on Semantics
	Medical Imaging & HDR Updates	**Pedro José Mallol Roselló** Medical Research Inst. Hospital La Fe
	Industry perspective on adoption of Lab Results, Medical Imaging & HDRs	**José Luiz Gomez** Becton Dickinson BD
	Q&A on Adoption	Moderators: **Catherine Chronaki** HL7 Europe and **Carola Schulz**, Empirica

12:30 13:45	*Lunch Break – Attendee Interactions*

Time	Panel	Panellists
13:45 15:10	**Interactive Panel I: The EEHRxF Vision Statement** *Architecture and technical specifications planning: base standard, structure, minimum dataset, key contributions, required synergies*	
	CDA to FHIR: impacts on EU eHealth systems	**Giorgio Cangioli** HL7 Italy & XpanDH
	Semantic as a pillar on the EEHRxF adoption	**Hans Lindvall** MyHealth@EU
	Trials & experimentation with the EEHRxF	**Maria Marques** Uninova & XpanDH
	PATHeD and the European Digital Identity Wallet	**Zoltán Tibor Lantos** Faculty of Health Sciences, Semmelweis University
	Healthcare practitioner views	TBC - Standing Committee of European Doctors CPME
	Alignment for RWE & Clinical Research	**Diogo Martins Branco** Medical Oncologist, ESMO Real World Data and Digital Health Working Group
	Consolidating the Vision: joining efforts towards the EEHRxF	Moderator: **Klára Jiráková** Vysocina Regional Authority

15:10 15:30	Coffee Break

Time	Session	Speakers
15:30 16:45	**Interactive Panel II: Road-mapping and Co-creation** *Alignment of process and support elements: development, collaboration, road-mapping, capacity building, ecosystem-wide and sectorial needs*	
	Specifications: an enabler for the future EHDS	**Konstantin Hyppönen** DG SANTE C1
	EEHRxF domain specifications provision in Joint Action efforts	**Christos Schizas** National eHealth Authority of Cyprus
	Expanding the EEHRxF use & innovation	**Catherine Chronaki** HL7 Europe
	Industry's role in EHR innovation	**Antoine Praet** EarlyTracks Ltd
	X-Nets, Community of doers & SDO Boards - collaboration for development	**Carola Schulz** Empirica **Alexander Berler** HL7 Greece
	A Roadmap & EEHRxF co-creation model for eHealth in the EU	Moderator: **Henrique Martins** ISCTE-IUL & XpanDH
Time	**Session**	**Speakers**
16:45 17:00	**Plenary III: Reflections on Next Steps** *Actor alignment, consensus and commitments for the short, medium and longer term*	
	The eHealth ecosystem and the EEHRxF as a central pillar	**Veli Stroetmann** Empirica & XpanDH
	European Commission and Member States: the main drivers for the EEHRxF	**Daniel Karlsson**, eHealth Network Subgroup on Semantics & **Konstantin Hyppönen,** DG SANTE
17:00 17:30	*Reflections on discussions – All attendees*	
17:30 17:45	**Closure: Future Events**	
	Wrap-up and final comments
